Lining Out Stock In Variety

Forest Nursery Co.

INCORPORATED

J. R. BOYD, President
McMINNVILLE, TENN.

Established in 1877.

TO THE NURSERY TRADE

Due to the unusual shortage in planting stock and unusual weather conditions we believe that the supply of good nursery stock will be far below the demand and we strongly advise early reservations for all items that are needed for both Fall and Spring. Our prices are in line and in many instances lower than most other reliable growers who give quality stock. We believe our supply will be exhausted before the season is over. Place your orders now and avoid disappointments. We will ship the stock whenever you are ready.

PRICES. Prices in this list cancel all previous quotations and are subject to change without notice.

TERMS AND CONDITIONS. Five (5) per-cent discount and free boxing and packing for cash with order. Two (2) per-cent ten days; One (1) per cent, thirty days; net, sixty days from date of shipment.

Cash, security, or satisfactory reference is required from unknown parties. Orders to be sent C. O. D. should be accompanied by one-fourth cash. Interest charged on past due accounts. Any State or Federal tax that may be levied must be paid by the purchaser.

We charge for boxing and baling at cost of material used. Where stock is loaded bulk in car or truck, no packing charge is made. Orders accepted subject to prior sale of stock or crop injury or loss from any cause beyond our control. Twenty-five plants at 100 rate, 250 plants at 1,000 rate. We are careful to keep our varieties true to name as labeled, and we will replace, on proper proof, any stock that may prove otherwise, free of charge or refund the amount paid us, but it is mutually agreed that we shall not be liable for any amount greater than the purchase price paid us. No claims will be considered unless made within ten days after receipt of goods.

SHIPPING—We request customers to give definite shipping instructions regarding manner in which they wish goods shipped. In the absence of special instructions we use our best judgment, but without assuming responsibility. All shipments travel at risk and expense of purchaser. All shipments will be accompanied by State Certificate of Inspection.

TRUCK SERVICE—We are able to offer truck service within a radius of 300 to 500 miles. Charges average about the same as railroad rates with delivery at your door. If interested write for further information.

We have four reliable freight truck lines operating through McMinnville that makes good connections to all parts of the country. These freight lines often give quicker delivery at same as railroad freight rates.

LOCATION—McMinnville is located in Middle Tennessee on N. C. & St. L. Railroad. It is located on State Highways No. 1, 55, and No. 56, U. S. Highway No. 70 and the Broadway of America.

REFERENCE—Any Bank or Business house in McMinnville. The Commercial Agencies or any of the leading nurserymen in the United States.

We will be glad to send samples of any items offered free where there is enough stock wanted to justify the expense.

COLLECTED EVERGREENS

These will be collected on damp days only when weather is suitable. They should always be shipped by express. If collected Evergreens are wanted in 10,000 to 100,000 lots, or large quantity, please write or wire for special quotations. If you are interested in large quantity of Slash, Loblolly or White Pines we will appreciate an opportunity of quoting.

WHOLESALE PRICE LIST OF SEEDS

FALL, 1936

The following varieties of seeds are offered subject to crop conditions. Shipments will be made soon as the varieties mature. We expect to collect these seeds only on orders and will not gather a surplus. We will appreciate your early order so we may make shipments as the seeds mature.

Terms: Five percent discount for cash with order. Thirty days net. We pay our collectors for seeds as they are delivered to us, therefore we prefer cash with order, but if terms are preferred and allowed they are not to exceed thirty days.

OUR 49th YEAR

By presenting you with this, our 49th annual Fall Trade List, we are making a bid for your business on the basis of good nursery stock and 49 years of continued service. We hope this service has been satisfactory to you and invite you to continue your very liberal patronage, giving us a good per cent of your business, and promise the most efficient service possible during the coming season. To those of you who have not bought from us in the past, we invite you to place a trial order with us. We fully appreciate the fact that if our stock and service is not up to your expectations we cannot hope to make you a customer. With this in mind we are looking forward to your first order this season.

Until the past few years there has been some little doubt as to the hardiness of our stock, when transplanted in the extreme northern part of the United States, but our continued shipments, to the leading nurseries in this territory, that have given absolute satisfaction have proven this idea to be more a matter of imagination and trade talk than facts. The average growing season for our district is as long as necessary to produce proper growth with ideal fall and spring shipping weather.

Our labor is well trained to handle and pack this material so that it reaches you in the very best of condition at a minimum expense. Many of our employees have been with us over a long period of years, and take pride in their work giving every order any special attention you may ask.

Should there be anything listed by us or any native plant that is grown in this section that you would be interested in, we would be glad to have you write us. This is a service that we offer without cost.

You who have given us your past business know that our service and quality cannot be surpassed in this district, and we strongly advise you to keep our price list in your files so that you will not confuse Forest Nursery Company with other nurseries operating in this vicinity. This is merely to insure you to get the quality of stock you would expect if your order were placed with us. Please do this and we will not disappoint you, as every transaction must be to your entire satisfaction.

We wish you a great season with all the business you can profitably handle and also extend you an invitation to visit us at any time you may find it convenient.

FOREST NURSERY COMPANY, INC.
